

# Message from the Goddess Mother

With Jan Diana

My Beloved Children of Heart,

“Greetings! It is with great joy that I speak with you today. We are heading into a new era for humanity. It is exciting news for us all.

As we reach into the heavens, our prayers to express greater joy, peace and harmony are being answered. The light shines upon us now preparing us for a shift into a new opportunity to experience the greater lightness of our hearts.

It is known to us of what is to come for it has been written into our hearts from the beginning. We welcome this time of great change as it propels us into the greater lightness we have desired.

Look upon yourselves with great pride. It has not been an easy journey, and yet you have prevailed.

You will continue to strengthen and advance in your understanding of the higher principles of truth. As you embrace and integrate these principles, the way will be made for you to create and live your dreams in greater ease.

The pathways of grace will light up before you. The ease of reaching your dreams will come as a pleasant surprise and yet you knew this time would become your reality.

Take a moment to take in the truth of my words as I speak them to your heart. Open to receive the confirmation of their truth and validity.

Prepare to receive the blessings as they unfold in their timing. The abundance of the many gifts of truth shall fall upon you like a rainbow of glory as you open your heart to allow yourself to receive.

Many of you have been working diligently for these times to be. Many of you are just now awakening to the greater light.

Whatever your path is or has been you are now ready for the next steps. Your personal evolution to higher consciousness will be met with opportunities to glide into new ways of living, being, and experiencing.

You will see the fruits of your labors come forth in great joy. As you continue to focus from your heart, the expansion and elevation of your spirit will soar.

It is a time of gratitude for all who have supported the lighter pathways and chosen their personal sovereignty. To be free to live your truth is the dream of your heart now and always.

The blossoming of your higher consciousness opens you to receive the light as it is offered in greater abundance now more than ever before. Receive and allow these blessings to fill you up with the hope of all your dreams being your reality.

Each choice to receive the light blesses you. It feeds and fuels your very existence to be elevated.

# The Lightness

# of Heart Consciousness

To live an inspired life is to live your dreams. To be in your heart consciously affords the opportunity to be aligned with truth, for all light carries the seeds and promise of authentic truth.

Let the light rain upon you. Receive it in gladness. Celebrate your readiness.

Take no concerns over the past. Live in the present moment. Be in your heart with your focus directed to your lightness. It is the way of the heart.

In the days ahead you will be making many new choices. It will become easier to see what your ideal is as the lightness shines upon you making it easier to recognize authentic truth.

You will be able to rise above the minutia and see what is really of value to your life purpose and plan. Each step and choice of lightness will assist and prepare you for the next. Every step comes with a gift.

The treasure that is prepared for you is beyond words. However it is known in the language of love, the language of the heart.

Think of heart consciousness as a golden rose beginning to open its petals and blossom fully. The golden rose delivers a frequency of love that satiates you in ways perhaps you have never experienced before in this lifetime,

Allow the golden rose frequency to flow into your heart and outward into your reality. Feel the unconditional love of this glorious wonder.

It is a gift offered for all to receive as they will. It will assist you by blessing you with the ability to reconnect more easily to your heart consciousness.

To live your life as an enlightened master is your deepest dream held within your heart. It is your divine right and destiny to do so. It is now easier to create and live this reality in this time of greater lightness.

Celebrate these great times of change. Though they may have their challenges you have the ability to rise above them with all that you have been endowed with by the Creator. These changes offer rewards never before experienced here on Earth.

It is a wonder to behold. You are a wonder. Within your heart is held the truth of you. Yes My Beloveds, you are truly magnificent. You will know this more as you rise up to meet that greater vision of the truth of yourself.

Let yourself receive the lightness. Allow yourself to shine bright. Expand and elevate, enjoying your life experiences. Dance in the lightness of your heart consciousness. We dance together. Shamon.”

With great love,  
Your Beloved Mother
