

# A New Journey Begins

*My Beloved Children of Heart,*

"I welcome you today into our circle of hearts. May you be blessed with peace, joy and an abundance of your heart's desires.

Certainly it is a time of celebration at the wonder of you. Each of you has risen to a placement on your journey where you are now ready to walk in your own power. Yes, these words fill your hearts with excitement at knowing this truth and the possibilities.

Imagine now that you have been given and accepted the keys to a brand new automobile. It is a vehicle you have longed to have, to take you on many new experiences.

As you now step into that beautiful new car, you feel it start up as you place the key into the ignition and turn it on. How exciting to hear the motor as it shifts into a glorious sound.

Where will you drive to first? What journey have you longed to take? Who would you like to go with you? Or perhaps you plan this first journey to be just for yourself. Whatever you choose is perfect.

As you start to drive down the roads of choice, you will begin to feel a new sense of yourself. You will have awareness that you can now experience life in a new way. It is like a whole new world has opened up for you to explore and enjoy.

You feel a sense of freedom, as well as a greater connection to your sacred self. You have coming to your mind thoughts, helping you to know where and when to make the turns on the roadways of your life.

You begin to feel a greater connection to your life purpose. You feel a sense of knowing why you are here, and what your heart desires to experience, to create, and to be.

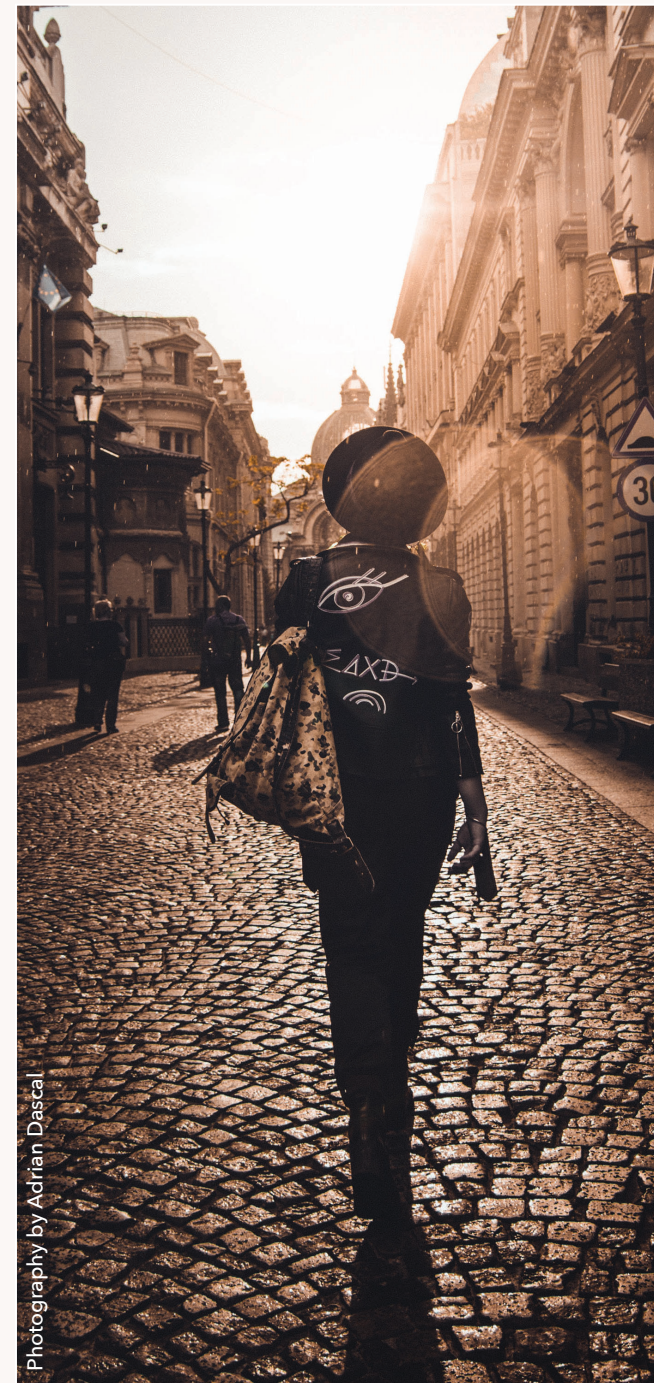

Many have prayed for this moment, this moment of empowerment. A time when you would begin to consciously accept your true nature and all that goes with that glorious truth.

Yes, My Beloveds, you are ready to drive that shiny new vehicle. As you take your journey, you will have clearer vision, new insights inspiring you to choices that lead you to your destinations of choice.

You have been preparing for this time. Releasing in grace what you might call road blocks that kept you from the fulfillment of your dreams.

Now that you have been handed the keys, you are ready to begin your life in wonderful new ways. You will feel a sense of freedom, as if you have the windows down and are feeling the cool breeze as you drive along.

You have been sleeping angels and now you are awake and awakening to your sweet truth. You are allowing the light to spark and dance upon you. It feels wonderful!

Yes, there may still be some bumps along the road. However you will be able to maneuver around these as you continue to allow the light to bless and guide you. It is for you to choose for yourself. You are ready.

To become ready to receive these keys you have journeyed through many obstacles and moved beyond them. Yes, you have received loving assistance along the way and will continue to receive as you allow of course. You are never alone.

However, now begins a new journey with more conscious awareness. This allows you to choose how you will flavor your life experiences.

What is it you would like to attract into your life? How can you align with those beautiful dreams so that they become your realities of choice?

Always begin with your focus from your heart. This is a new era. It is powered by love, by heart consciousness.

When you ponder anything about your life, direction, guidance, possibilities, begin with focusing from your heart. Do this until it becomes your natural way of being.

From this perspective you will be able to access your divine gifts and abilities which are your birthright, waiting for you to recognize, claim and develop. These many gifts and blessings will help you in developing these higher states of consciousness, coming from your heart always.

Your heart contains all wisdom and knows the pathways that are ideal for you. It is always aligned with authentic truth, always speaks in peace and always offers wisdom.

It holds all the answers that you seek. As you develop your heart consciousness, you will be able to access the jewels within your heart's treasury.

Imagine taking journeys you perhaps had forgotten were your dreams. Perhaps you had set them aside thinking they were not possible for you. Or perhaps you hold such big dreams you haven't even entertained the concepts of them, yet.

Well now is the time to open up to the possibilities. To allow yourself to dream big dreams free of any perceived limitations. To imagine what was thought impossible as now possible.

Your keys to your new vehicle have potentials that are limitless. It is a matter of being open, learning how to work with the higher principles and systems of truth, and then applying that knowledge. Be open to the guidance of your heart and you will be lead to the answers that you seek to support your journey of choice.

Celebrate the wonder of reaching this time in your personal evolution as well as the evolution of the collective of Earth. Your many rewards are here for you to notice and accept.

The keys have been handed to you. You have the power and freedom to drive yourself where you would like to go. All choices are honored. You are honored and celebrated.

My heart is filled with joy at your great achievement in arriving at this new place. Believe in your wonder. Accept the successes along the way. Know that you are already perfect.

Make your journey become that glorious dream you have held for this time in your life. It is your new beginning and you are ready as well as deserving of all blessings.

Walk in confidence knowing you are loved and supported. Love yourself most. Honor your life, and bless those who share journeys with you.

May you always feel the sunshine in your heart and know of my great love for you. You are the jewels of my heart. Shamon."

With great love,  
Your Beloved Mother
