# LIFE'S JOURNEY

My Beloved Children of Heart,

“As I ponder upon you on this glorious day, I am reminded of your sweet commitment to our sacred plan. I celebrate in gratitude your participation in the story we share together in the many journeys of life.

Your choice to live and experience offers you and us so many treasures. The blessings are becoming so grand there is no way to fully take measure of them for they are perpetually expanding into the ever more of us.

As I speak to your many hearts on this topic, the message comes to mind of what is most important to share with you at this point in the journey. There is so much to share and yet this is the piece that your heart calls out to hear, to feel, and to receive a validation of.

You desire most of all to know if you are fulfilling your plan you made in our council before your journey began. And of course the answer is a resounding yes.

Yes, you are. It is a journey of many choices, many

steps and many experiences. Each leads to the next and the next. Each is fulfilling in and of itself, and yet each one fits into the bigger picture, creating the greater vision which we share together.

You might feel as if you are missing the connection. You may feel a bit disconnected from the awareness of truth that you desire that feels so close, yet perhaps just out of reach.

This feeling is an indication of your growing awareness that something more for yourself exists. Even if it feels out of reach at this time, you know it.

Your heart knows your plan. You know your plan. You know it on many levels of awareness.

And thus here you are, on a grand journey of remembering your truth. What you felt you forgot is making itself known to you in ever expanding ways and means.

This is very exciting for all of us. Each spark of awareness leads to another and then another and another. It continues on until that glorious moment when the fullness of self is remembered.

What a glorious journey of self-discovery! To experience yourself in this way opens up for advancements you will experience that are even beyond your imagination at this time.

However, you will grow into it in your readiness. Thus the journey unfolds to lead you to the greatest discovery of all, your truth, your divine nature and your sacred destiny.

How wonderful it is to know, that whatever step you are on, whatever you are experiencing now, whether it is one bringing you joy or one with some challenges, it is leading you to that ultimate awareness of yourself. You can take this truth in and allow it to bring you encouragement. You can accept the peace that comes with this understanding.

Recognizing that each choice has the power to take you to that place you have been dreaming about, brings great excitement to your heart. It can also free you from any judgments of self of lesser value for having some bumps along the road.

All experiences of all choices, all journeys, will lead to that same wonderful destination at some point in our glorious future. All of us reaching the completion of our journey of love, returning fully into our oneness, and yet with all we have experienced adding into our flavor as we prepare for the next step in our grand adventure together with our ever more loving selves.

The wonder of it all. The wonder of each of you fills my heart with great joy. You simply are magnificent.

Nothing of lesser value in your experience can alter you truth, your divinity. You are who you are, living and experiencing the journey of lives.

May you open your heart and allow yourself to feel the witness to this truth. May you begin to have more kindness and patience with yourself and with others. May you begin to feel the connection to truth in the greatest of openness, with ease and grace.

You are fulfilling your destiny. You are rising up to dance to the song of your heart.

As you continue going forward, let it be known to you that you are living your dream. Yes you have many dreams and desires of your heart to live and experience. And yet the fullness of all of these is held within the wholeness of your life journey.

You can move forward now and always with a greater awareness of your purpose as it begins to make itself known to you consciously. To know your purpose is delightful. To purposefully walk in that awareness is your birthright.

To achieve that now is within your reach.

Open up your heart to receive the greater awareness. Let yourself be guided in the lightness of heart.

It is now easier than perhaps you thought possible. Flow in the streams of lightness that is dancing upon the Earth now, relaxing into that sweetness. It will uplift and inspire you.

Accept each joy that comes your way, knowing you deserve it. You are worthy to receive all you are being blessed with.

Choose joy. Choose the abundance of all that brings you joy and know it is yours to claim.

You are ready for the next steps leading into the greater awareness, into the lightness of heart.

I celebrate you as you reach for the stars, for truly you are reaching for your own lightness. Be accepting of the love, for as you do you will feel the sweetness of your heart song as it calls to you, guiding you to that place of home. Shamon.”
